

300 SPORT AND CHECKERED FLAG LIMITED EDITION MODELS JOIN AWARD-WINNING JAGUAR F-PACE LINEUP

- Jaguar introduces F-PACE 300 SPORT and Checkered Flag limited edition models to the 2020 model year F-PACE lineup
- 300 SPORT model, available exclusively with a 296HP turbocharged inline-4 gasoline powertrain, features assertive sporting exterior and interior changes
- Checkered Flag edition offers an impressive standard specification including 18-way electric sport seats, Jaguar InControl® Touch Pro™ and Meridian Sound System, distinctive design details throughout, and is available exclusively with a 247HP turbocharged inline-4 gasoline powertrain
- Every model in the F-PACE range, from the 247HP 2.0-liter Ingenium gasoline model to the halo 5.0-liter 550HP supercharged V8 F-PACE SVR, now features Apple CarPlay® and Android Auto™ as standard¹
- The 2020 model year F-PACE model lineup is available from \$45,200². For more information, visit www.jaguarusa.com

(MAHWAH, N.J.) – July 25, 2019 – Jaguar has announced two distinctive limited edition models for its award-winning F-PACE model lineup - the 300 SPORT and the Checkered Flag editions. Together, they further enhance the 2017 World Car of the Year and World Car Design of the Year[‡] award-winning F-PACE range, which offers the unrivalled dynamics and everyday versatility customers expect from a Jaguar performance SUV.

300 SPORT LIMITED EDITION

Powered to perform, the Jaguar F-PACE 300 SPORT features a 296HP turbocharged inline four-cylinder engine producing 295 lb-ft of torque and can accelerate from 0-60mph in 5.8 seconds (0-100km/h in 6.1 seconds) on its way to a top speed of 145mph (233km/h)³.

The F-PACE 300 SPORT is identified by distinctive Dark Satin Grey exterior detailing. Starting with the front grille surround, this extends to the side window surrounds, side vents, mirror caps and door finishers, as well as the rear valance. With '300 SPORT' badges on the front grille and rear tailgate, the model is available exclusively in Yulong White, Indus Silver and Santorini Black.

Step inside and the yellow contrast stitching on the instrument panel, center console and leather seats provide a unique feel to the interior. A '300 SPORT' logo is badged on the treadplates, carpet mats and steering wheel and is also embossed on the front headrests.

Comfort and convenience features include Jaguar InControl® Touch Pro™ infotainment system, a 12.3-inch Interactive Driver Display, Meridian sound system, and 18-way electric front sport seats – all featured as standard⁴.

F-PACE 300 SPORT customers will also have the option of upgrading the standard specification with several additional features including heated and cooled front seats and heated rear seats, Adaptive Cruise Control with Steering Assist and Adaptive Dynamics.

CHECKERED FLAG LIMITED EDITION

The F-PACE Checkered Flag Limited Edition is based on the R-Sport model and comes with a distinctive exterior that includes a sport front bumper and striking Gloss Black detailing on the front grille, door

cladding, side vents, and roof rails. The Checkered Flag edition is available in Yulong White, Santorini Black and in the newly introduced Eiger Grey exterior paint color.

Inside, the cabin has a seamless blend of luxurious materials and crafted finishes, with features including leather trim, meshed aluminum detailing and 'Checkered Flag' badged treadplates. Occupants also benefit from a range of features such as 18-way electric front sport seats, Meridian Sound System, 12.3-inch Interactive Driver Display and InControl Touch Pro infotainment system as standard⁵.

The Checkered Flag edition features a 247HP 2.0-liter turbocharged four-cylinder Ingenium gasoline engine, which powers the F-PACE from 0-60mph in 6.6 seconds (0-100km/h in 7.0 seconds) and to a top speed of 135mph (217km/h)³.

2020 MODEL YEAR F-PACE RANGE

Every F-PACE features a lightweight aluminum intensive construction and driving dynamics designed to deliver the ideal balance between ride and handling. All-Surface Progress Control enables smooth progress on low-grip surfaces, while on-demand all-wheel drive and Intelligent Driveline Dynamics deliver optimum performance and capability⁵.

The model's high torsional stiffness enables its F-TYPE-derived double wishbone front- and Integral Link rear suspension to deliver a truly rewarding driving experience. Torque Vectoring by braking and an Electric Power Assisted Steering system – both standard – further enhance agility and response.

Four powertrain options can be specified throughout the model range including two four-cylinder Ingenium gasoline engines producing 247- and 296HP, a supercharged V6 producing 380HP and the range-topping 550HP supercharged V8 offering a 0-60mph time of 4.1 seconds and a top speed of 176mph³. All-wheel drive is standard throughout the line-up.

The latest model year F-PACE gains enhanced smartphone integration with Apple CarPlay® and Android Auto™ as standard¹.

†World Car Awards

The Jaguar F-PACE achieved double success at the 2017 World Car Awards, scooping the prestigious World Car of Year and World Car Design of the Year titles.

Now entering their 15th year, the annual World Car Awards are the number one awards program in the world for the sixth consecutive year based on Prime Research's 2018 media report. The awards were inaugurated in 2003, and officially launched in January 2004, to reflect the reality of the global marketplace, as well as to recognize and reward automotive excellence on an international scale. About Jaguar Land Rover

Jaguar Land Rover is the UK's largest automotive manufacturer, built around two iconic British car brands: Land Rover, the world's leading manufacturer of premium all-wheel-drive vehicles; and Jaguar, one of the world's premier luxury sports sedan and sports car marques.

At Jaguar Land Rover, we are driven by a desire to deliver class-leading vehicles, which will provide experiences our customers will love, for life. Our products are in demand around the globe. In 2018 Jaguar Land Rover sold 592,708 vehicles in 128 countries.

We support around 260,000 people through our retailer network, suppliers and local businesses. At heart we are a British company, with two major design and engineering sites, three vehicle manufacturing facilities and an engine manufacturing center in the UK. We also have plants in China, Brazil, India, Austria and Slovakia.

From 2020 all new Jaguar Land Rover vehicles will offer the option of electrification, giving our customers even more choice. We will introduce a portfolio of electrified products across our model range, embracing fully electric, plug-in hybrid and mild hybrid vehicles as well as continuing to offer the latest diesel and gasoline engines.
