

# F-PACE SVR

MEDIA DRIVE FEBRUARY 2021

# WELCOME

On behalf of the whole Jaguar Special Vehicle Operations team, welcome and thank you for supporting today's Jaguar drive event. I am pleased that even during these difficult times you are able to join us to experience the updated Jaguar F-PACE SVR for yourself.

This is a vehicle we're very proud of. Since the first F-PACE SVR launched two years ago we have sold more than 4,000 examples around the world, making this the most successful Jaguar SV programme to date.

The new F-PACE SVR builds on this success. Our SV engineers and designers have examined every aspect of the vehicle in search of potential improvements and refinements. By executing numerous large and small changes, we have been able to improve the performance, handling, refinement and materials quality of the new F-PACE SVR to again raise the bar in the high-performance SUV segment.

As a result, the new F-PACE SVR is significantly quicker off the line and even more agile, while featuring a more dynamic exterior design and a more luxurious and refined interior.

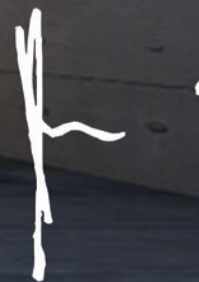

It is a demonstration of what SV stands for. We exist to take the best of the Jaguar model range and amplify the key characteristics of those vehicles. To deliver the ultimate interpretation of what a Jaguar can be.

We strive to continually improve our SV vehicles, be it influenced by SV's motorsport programmes or, in the case of the F-PACE SVR, incorporating features taken directly from the development of our limited-edition high-performance flagship Jaguar XE SV Project 8.

This can only be achieved thanks to the passion and expertise of the people we are privileged to employ in the SV business. My team is committed to designing, developing and producing the most exciting, exclusive and desirable Jaguars in the world, all with unrivalled dedication and enthusiasm.

I hope you enjoy your time with us today and I look forward to meeting you in person soon, but in the meantime keep safe and enjoy your drive of the new F-PACE SVR.

Best wishes,

**Michael van der Sande**  
Managing Director, Jaguar Special Vehicle Operations

# F-PACE SVR

**PEAK TORQUE  
UPPED TO 700NM**  
(20Nm more than at 20MY)

**QUICKER ACCELERATION**  
0-60mph in 3.8s – 0.3s quicker than  
20MY with new Dynamic Launch  
(0-100km/h in 4.0s)

# EVENT VEHICLES

## F-PACE SVR

priced from £77, 595

Embargo: 00:01hrs GMT, 01 March 2021

### Vehicle Details

Engine	5,000cc, V8 petrol Twin Vortex supercharger
Transmission	8-speed automatic
Drivetrain	All-Wheel Drive
Body Style	SUV
Exterior Colour	Atacama Orange
Interior Trim Colour	Ebony / Light Oyster

### Technical Specifications

Power (PS @ rpm)	550 @ 6,250-6,500
Torque (Nm @ rpm)	700 @ 3,500-5,000
0-60 mph (sec)	3.8
0-100 km/h (sec)	4.0
Top Speed (mph / km/h)	178 / 286
WLTP Fuel Consumption Combined TEL (mpg)	23.1
WLTP Fuel Consumption Combined TEL (l/100km)	12.2
WLTP CO <sub>2</sub> Emissions Combined TEL (g/km)	275

### Dimensions

Length (mm)	4,762
Width (mirrors folded) (mm)	2,071
Height (with antennae) (mm)	1,670
Wheelbase (mm)	2,874
Weight (EU unladen) (kg)	2,133
Luggage Capacity (rear seats forward) (litres)	1,842

### Chassis

Front Suspension	Double wishbone
Rear Suspension	Integral link
Steering	EPAS & Rack-and-pinion
Wheels	22-inch 5 split-spoke
Front Tyres	265/40 R22 Pirelli P-Zero
Rear Tyres	295/35 R22 Pirelli P-Zero

### Key Features & Technologies

Up-rated braking system with Integrated Power Booster and Torque Vectoring by Braking  
Red brake calipers  
Active AWD with SV-tuned Intelligent Driveline Dynamics  
Electronically-controlled active rear differential  
Switchable active exhaust with quad tailpipes  
Sliding panoramic roof  
3D Surround Camera, Blind Spot and Rear Protection Assist  
Pixel LED headlights with signature daytime running lights  
Head-up Display  
Pivi Pro infotainment system  
Apple CarPlay and Android Auto  
Meridian Surround Sound System  
Performance seats (Semi-Aniline leather option)

Embargo Date: Monday 1st March 2021, 00:01 GMT

**Wi-Fi:** Complimentary Wi-Fi will be available and details will be provided on arrival.

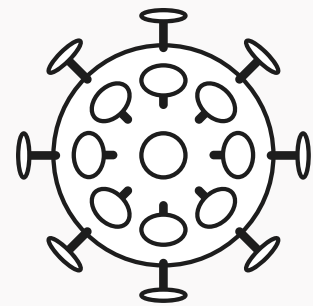

# COVID PRECAUTIONS

We have a limited team working on this event and each team member has undertaken a COVID test.

A variety of measures have been put in place to ensure your safety. Please ask any member of the Event Team if you would like to know more.

## Covid symptoms

If you have or develop any symptoms of COVID-19 which are: a continuous cough, fever, loss of taste or smell please speak to a member of the team who will facilitate your exit from the event to allow you to return home to isolate and we advise you to book a NHS COVID test.

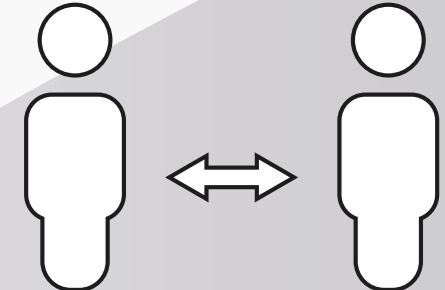

## Rapid Covid testing

You will be subject to a rapid COVID test on arrival and your continued participation is dependent on a negative result.

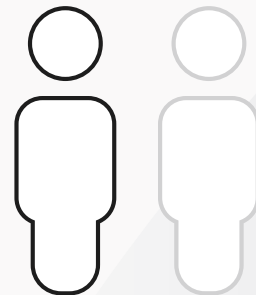

## Face coverings

Face coverings are mandatory on JLR sites and must be worn during the drive experience. Individual face masks and hand sanitiser will be provided. This will be actively monitored throughout the drive.

## Social distancing

May we also remind you that social distancing measures will be in place throughout the drive and we politely request that these are adhered to at all times.

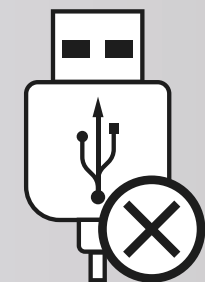

## Single occupancy vehicles

We have planned for single occupancy vehicles on this event.

## Sanitised vehicles

All vehicles will be sanitised prior to you entering a vehicle. Signage will be installed in the vehicle to visually demonstrate that the cleaning process is complete.

## Non vehicle USB charging

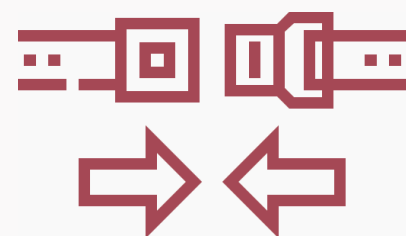

Please note that USB chargers for use with mobile devices will not be provided in the vehicles on this programme.

# EVENT SAFETY
